1965-1970 Ford Mustang Suspension

1964-1973 Ford Mustang Suspension

**SUPER KIT SHOWN USING STOCK TYPE SPRINGS**

*Kits are not painted or assembled.*

**BASE KIT SHOWN USING COIL-OVER SHOCKS**

**ROD & CUSTOM MOTORSPORTS MUSTANG II IFS KITS FOR 1964-73 MUSTANGS, 1960-70 FALCON/COMET, 1962-71 FAIRLANES, 1967-70 COUGARS**

These Mustang II based kits use the stock springs and shocks and tubular control arms. By using this kit, you gain 7" of room on each side of the engine! Base Kits include: crossmember, springs, shocks, upper & lower arms, manual rack with bushings & ends, spindles with nut kit, bearings and seals, 11" disc brake kit.

**RC-103 Base kit . . . . . \$1,795.00**

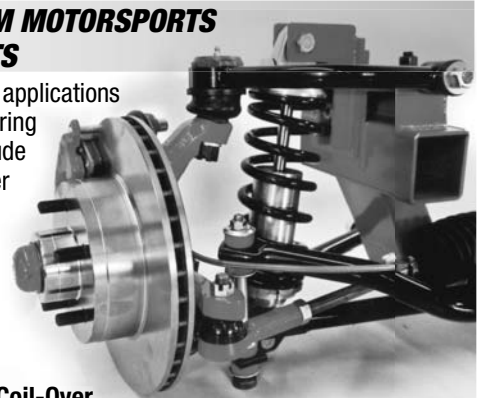

**SUPER KITS**

These kits include everything in the base kit *plus*: motor mounts, 1" sway bar kit, tower replacement panels, SS flex brake lines, steering shaft kit, column modification kit. *Options available*: larger brakes, powder coated arms, 2" dropped spindles, tilt column, and oil pans.

**RC-106 Super kit (shown) . . . . . \$2,395.00**

**ROD & CUSTOM MOTORSPORTS COIL-OVER KITS**

These kits fit same applications as the stock coil spring kits. They also include adjustable coil-over upper mounts and coil-over shocks and springs.

**RC-104 Base Coil-Over kit (Shown) . . . . . \$1,995.00**

**SUPER KITS**

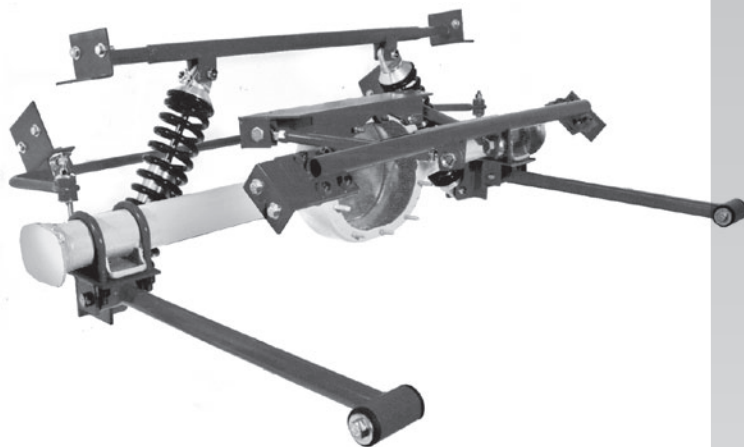

**RC-107 Super Coil-Over kit . . . . . \$2,595.00**

### ROD & CUSTOM MOTOR SPORTS MUSTANG II IFS CROSSMEMBER ONLY

Use this kit if you have your own components. Fits same applications as the complete kits. Available for stock coil springs or coil-overs.

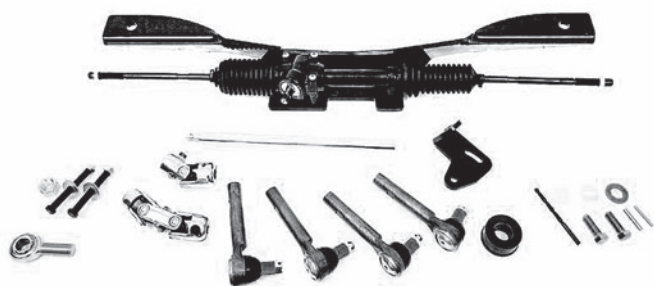

- RC-101 Crossmember for stock style springs . . \$399.00
- RC-102 Crossmember for coil-over springs. . . \$399.00

### ROD & CUSTOM MOTOR SPORTS REAR COIL-OVER KIT FOR 1960-65 FALCON & COMET, 1964-70 MUSTANG & COUGAR

This is a true bolt-in kit that uses the original rear end housing spring pads to mount the lower bars and coil over brackets. The upper bars mount to a bracket that bolts to the center section. Very easy to install. Includes sway bar.

- RC-114 Rear coil-over kit . . . . . \$1695.00

### UNI-STEER RACK AND PINION KITS

These kits are for use with the stock front crossmember and suspension. Uni-Steer kits are true bolt-ons and easy to install. They will transform the handling and steering feel of your classic Ford.

#### 65-70 MUSTANG KITS

- 8001110-01 1965-66 Manual . . . . . \$1049.00
- 8001090-01 1967-70 Manual . . . . . \$1049.00
- 8010890-01 1965-66 Power, small block. . . . . \$1599.00
- 8010830-01 1967-70 Power, small block. . . . . \$1599.00
- 8010900-01 1965-66 Power, big block . . . . . \$1599.00
- 8010920-01 Late 1967-70 Power, big block . . . . . \$1599.00

### BOOSTER/MASTER CYLINDER ASSEMBLIES

These new units include the mounting bracket and push rod. They are designed to use the original manual brake pedal and have the correct pedal ratio. Available with a drum or disc mater cylinder.

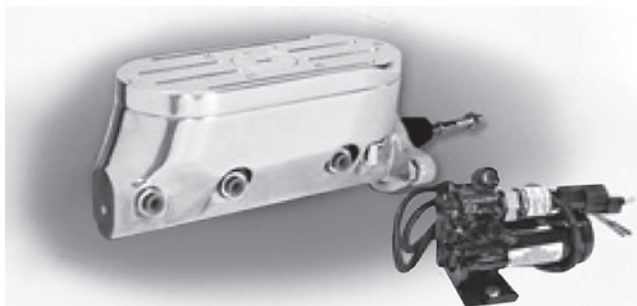

- DB107 1964-67 Mustang, 7", disc/drum . . . . . \$259.00
- DB107-D 1964-67 Mustang, 7", disc/disc . . . . . \$259.00
- DB108 1967-70 Mustang, 9", disc/drum . . . . . \$259.00
- DB108-D 1967-70 Mustang, 9", disc/disc . . . . . \$259.00

### 1965-70 MUSTANG TILT STEERING COLUMN

These new columns use all new parts and are available in paintable steel or polished stainless. Requires steering shaft and couplers/U-joints.

- FR20005 1965-66 . . . . . \$339.00
- FR20004-69 1967-70 . . . . . \$339.00

### HIGH-POWER ELECTRIC BOOSTER AND MASTER CYLINDER ASSEMBLY

This high pressure system includes an electric remote booster that can be mounted anywhere in the car. This cleans up the firewall, frees up extra valve cover clearance and solves the low vacuum problem that many high performance engines have. Good looking, light weight and easy to install. Features a 1.125" bore, Dual circuits and built in metering/proportioning valve. Only 8" x 3.6" x 3.3".

- 10-56 Electric Power Brake Booster/M.C. . . . . \$1150.00

1964-1973 Ford Mustang Suspension
